The Youth Commission has been an active part of the community since its inception in 1995. They successfully recommended the development of the Skate Park and Teen Center, as well as host their own projects/activities (e.g. Youth Commission sponsored Community Service Scholarship for high school juniors and seniors, and "YAC Attack" Youth Commission Conference). In addition, each year the Youth Commission volunteers at City-wide special events (e.g. Art and Wine Festival, Youth Activity Center Halloween Party, Tree Lighting Ceremony, and Easter Egg Hunt).

PARK PROJECTS

In September 2013, Council adopted a goal to enhance community sports and recreational assets. Since then, Capital Improvement Project (CIP) funding including developer contributions, grants, and donations have been directed toward improvements at several parks (see Bracher Park and Carli Park). Older playgrounds that do not meet Americans with Disabilities Act (ADA) and Consumer Product Safety Commission (CPSC) requirements and current research based understanding of play, were made a priority for rehabilitation and allocated funding in Capital Improvement Project (CIP) #3178-Playground Construction.

In August 2017, Council selected Verde Design, Inc., David L. Gates and Associates, Inc., and David Volz to provide professional playground and park design, engineering, and project management services for Bowers Park (2582 Cabrillo Avenue), Machado Park (3360 Cabrillo Avenue), Homeridge Park (2985 Stevenson Street), Montague Park (3595 MacGregor Lane), Agnew Park (2150 Agnew Road), and Fuller Street Park (61 Fuller Street) rehabilitation projects. The design will incorporate neighborhood and community input on the playground and park elements, use research best practices, create age-friendly places, pathways, and inclusionary play spaces focused on health and fitness, sustainability, and the natural habitat.

Initial community workshops were held in October and November and the Parks and Recreation Department launched online surveys to seek further community feedback on the parks. The Parks and Recreation Commission, staff, and the consultants, will utilize the resident input to work through the design process and ultimately approval of schematic designs in the spring. Visit the Park Projects webpage on www.SantaClaraCA.gov to stay up to date on these projects.

CENTRAL PARK ANNEX NEW NEIGHBORHOOD PARK

The new neighborhood public park on Kiely Boulevard, across from Central Park towards Miles Drive, was completed by the Prometheus Real Estate Group. The approximately 1.9 acre park parcel will be dedicated to the City. It includes an age appropriate playground, restroom, grass meadow play space, and additional creek upland habitat. A Park Dedication will be scheduled once construction and a required maintenance period is complete.

SAN TOMAS & MONROE NEIGHBORHOOD PARK & COMMUNITY GARDEN

San Tomas and Monroe Neighborhood Park and Community Garden is under construction and scheduled to open in Summer 2018. The new 2-acre park that is along the San Tomas/Aquino Creek Trail will include playgrounds, picnic/barbecue areas, an open grass area, a native plant/pollinator garden, off leash dog area, and a restroom. The Community Garden portion will have a covered outdoor classroom as well as plots for children, individuals, and groups to grow their own produce. A community garden interest list is forming; please contact (408) 615-3140 for more information.

REED & GRANT STREET SPORTS PARK

City staff are working with the architects to finalize plans and specifications for the anticipated project construction bid advertisement this winter. A public ground breaking ceremony will be held in Spring 2018.
